Coleman Foundation

Entrepreneurship Awareness and Education Grant Program

Program: The Coleman Foundation and the U.S. Association for Small Business and Entrepreneurship (USASBE) are accepting applications for the Entrepreneurship Awareness and Education Grant Program, which provides funding for "radical innovations and major changes" in the structure of entrepreneurship education.

Funds: Total funds available: \$750,000.
Maximum grant size: \$50,000.

Deadline: October 15, 2001.

Eligible: Awards may be granted to any university, college, or community college in the U.S. to significantly expand entrepreneurship education through innovation that focuses on any of the following areas: entrepreneurship course(s), program(s) or a minor targeting non-business majors in a collegiate setting; cross- curriculum entrepreneurship education in disciplines such as medicine, law, architecture, engineering, psychology, or veterinary science; entrepreneurship training or a certificate program targeting non-degree seeking students that are owners of an active existing business; entrepreneurship course(s) or program(s) targeting performing, non-performing or other art-related studies; or university-sponsored entrepreneurship outreach program(s) targeting high school, elementary, or alternative school students.

HEALTH

Department of Health and Human Services/Health Resources and Services Administration Cooperative Agreement to Develop and Manage a Program for Faculty Leadership in Interdisciplinary Education to Promote Patient Safety

Program: The purpose of this Cooperative Agreement is to develop a "train the trainers" program to create nurse and physician faculty leaders in interdisciplinary education specifically directed toward enhancing patient safety. Graduates of the program could then lead in the training of other faculty in curricula and techniques in interdisciplinary education to promote patient safety. The ultimate goal of this program is to bridge the separate cultures of practice in medicine and nursing by expanding numbers of professionals who are trained to work together in teams to improve systems for safe patient care and to prevent errors.

Funds: Total funds available: \$400,000.

Number of awards: 1.

Deadline: Letters of intent: July 11, 2001.
Full proposals: July 27, 2001.

Eligible: Accredited schools of nursing, schools of medicine and osteopathic medicine, academic health centers, public and nonprofit private hospitals, and other public or private nonprofit entities which provide educational programs for undergraduate, graduate, or graduate medical and nursing education.

Info: Dr. Madeleine Hess, Deputy Chief, Nursing Special Initiatives and Program Systems Branch, Division of Nursing, Bureau of Health Professions, HRSA, Room 9-35, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20867, Email: mhess@hrsa.gov, Phone: (301) 443-6336, Link: http://frwebgate.access.gpo.gov/cgi-bin/getdoc.cgi?dbname=2001_register&docid=01-16023-filed

Department of Labor
HIV/AIDS Global Workplace Prevention and Education Program
SGA 01-05

Program: The Bureau of International Labor Affairs (ILAB), U.S. Department of Labor (USDOL, Department, or Grantor), announces the availability of funds to be granted by cooperative agreement to one or more qualifying for the purpose of reducing the spread of human immunodeficiency virus/acquired immune deficiency syndrome (HIV/AIDS) and eliminating discrimination in employment against individuals infected with HIV/AIDS through a global workplace prevention and education program. Applicants are encouraged to be creative in proposing cost-effective interventions that will have a demonstrable impact on the HIV/AIDS infection rate and the level of discrimination in employment against individuals infected with HIV/ AIDS.

Funds: Total funds available. \$9,000,000.

Deadline: July 27, 2001.

Eligible: Any organization (other than a profit-making organization), capable of successfully developing and implementing a HIV/AIDS workplace education program to reduce the spread of HIV/AIDS and help eliminate the discrimination in employment among individuals infected with HIV/AIDS is eligible for a cooperative agreement.

Department of Health and Human Services/Health Resources and Services Administration
Cooperative Agreements to Develop, Implement and Evaluate Safe Practices at the Patient Care Delivery Level Through Collaborative, Interdisciplinary Education To Prepare Physicians and Advanced Practice Nurses

Program: The purpose of these Cooperative Agreements is to support the development of educational activities that will focus on interdisciplinary education of physicians and advanced practice nurses to promote patient safety and prevent errors in health care delivery.

Funds: Total funds available: \$400,000.
Total number of grant awards: 3-4.

Deadline: Letters of intent: July 11, 2001.
Full proposals: July 27, 2001.

Eligible: Accredited schools of medicine and osteopathic medicine and schools of nursing, academic health centers, public and nonprofit private hospitals, and other public or private nonprofit entities that provide educational programs for undergraduate, graduate, or graduate medical and nursing education.

Info: Dr. Richard Diamond, Medical Officer, Policy and Special Projects Branch, Division of Medicine and Dentistry, Bureau of Health Professions, HRSA, Room 9A-27, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857; Email: rdiamond@hrsa.gov, Phone: 301-443-1082, Link: http://frwebgate.access.gpo.gov/cgi-bin/getdoc.cgi?dbname=2001_register&docid=01-16024-filed

FR: 6/27 34227-34230

**Department of Health and Human Services/Health Resources and Services Administration
Training and Technical Assistance (CARE Act)**

Program: The applicant will transfer knowledge and provide practical help to a diverse group of people working in HIV-related programs that are located in Eligible Metropolitan Areas (EMAs) regarding the new legislative requirements of the CARE Act. Recipients will include administrative and direct service staff of State/local AIDS programs, State/local health departments, agencies funded by the CARE Act, other AIDS Service Organizations (ASO) and Community Based Organizations (CBO), members of CARE Act planning bodies, and consumers.

Applicants must propose a plan that will help achieve the purpose through one or more of the following six program objectives. Each program objective directly relates to one of the legislative requirements of the new CARE Act.

- Increase the number of people with a history of homelessness, substance abuse, and correctional detention, who are members of Title I CARE Act Planning Councils, or regularly attend or actively participate in Planning Council meetings;
- Increase the ability of CARE Act administrators, planning bodies and care providers to identify the unmet needs of PLWH who are not in care, to bring them into care, and to keep them in care;
- Increase the number of formal linkages and referral agreements among providers of HIV social support services, HIV prevention services, and HIV care and treatment services to improve health outcomes;
- Increase the number of formal linkages or referral agreements among publicly-funded programs (e.g., CARE Act, Medicaid, family planning, substance abuse, Children's Health Insurance Program), to collaborate on HIV service delivery and planning;
- Increase the knowledge of CARE Act administrators, planning bodies and care providers of models and best practices for continuous quality improvement and quality management;
- Increase staff abilities and service capacity in organizations serving underserved communities severely impacted by HIV/AIDS.

Under this Cooperative Agreement, HRSA will provide input and be involved actively in

the planning and implementation of activities supported by these funds. Proposed activities must support the mutual goals and objectives of HRSA and the applicant.

Funds: Total funds available: \$200,000.

Deadline: August 10, 2001.

Eligible: Public or private non-profit organizations with a national membership or constituency whose mission is to address the needs of people who work with HIV/AIDS related programs and consumers of HIV/AIDS services. The applicant must have representatives from Ryan White CARE Act Title I EMAs within its membership or constituency. The applicant must have a history of developing and disseminating informational materials and providing training and technical assistance to HIV/AIDS related organizations within the past 3 years.

Info: Rene Sterling, HIV/AIDS Bureau, Health Resources and Services Administration, 5600 Fishers Lane, Room 7-36, Rockville, MD 20857, Phone: (301) 443-7778, Fax: (301) 594-2835, Email: Rsterling@hrsa.gov, Link: http://frwebgate.access.gpo.gov/cgi-bin/getdoc.cgi?dbname=2001_register&docid=01-15965-filed

FR: 6/26 33967-33968

**Department of Health and Human Services/Health Resources and Services Administration
Cooperative Agreement to Support Innovative Projects Relating to Public Health Education and Services**

Program: The goal of the Cooperative Agreement is to improve public health, public health services, and health care services at the State and local community levels while providing meaningful feedback to schools of public health concerning the efficacy of their curricula in educating and training the future and existing public health workforce.

There are three purposes for this Cooperative Agreement:

- To develop training, placement, recruitment and retention mechanisms to address the shortfall of individuals in various public health disciplines and professions as defined by the Bureau of Labor Statistics Standard Occupational Classification;
- To strengthen and institutionalize practice oriented linkages between the schools of public health and the public health practice community so that individuals are better trained to meet the needs of HRSA-sponsored grantees in community settings;
- To provide assistance in curricula development and related initiatives that will address the need for better educated and culturally competent entry-level and mid-level public health practitioners in public health practice settings.

Funds: Total funds available: \$700,000.

Deadline: Letters of intent: July 10, 2001.
Full proposals: July 26, 2001.

Eligible: Health professions schools (including an accredited school or program of public health, health administration, preventive medicine, or dental public health or a school providing health management programs), academic health centers, State or local governments, and any other appropriate public or private non-profit entity.

Info: Jeffrey Dunlap, Acting Director, CPH, Bureau of Health Professions, HRSA, Room 8-103, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857; Email: Jdunlap@hrsa.gov, Phone: (301) 443-6853, Link: http://frwebgate.access.gpo.gov/cgi-bin/getdoc.cgi?dbname=2001_register&docid=01-15964-filed

FR: 6/26 33971-33973

**Department of Health and Human Services/Centers for Disease Control and Prevention
Cooperative Agreement for Surveillance of Child Maltreatment
Program Announcement 01109**

Program: The following are the two purposes of this program:

- *Part I/Mortality Surveillance:* The purpose of this program is to compare alternative approaches to surveillance for fatal and nonfatal CM on the state level. The first purpose addresses the pressing need for a practical surveillance system for CM that can be implemented at the state level.
- *Part II/Morbidity Surveillance:* The purpose of this program is to test methods that may be employed for the surveillance of violence at all ages. The second purpose addresses the particular need to use efforts in child maltreatment mortality surveillance as a starting point for a national violent death surveillance system.

Funds: ➤ *Part I:* Approximately \$300,000 is available to fund approximately three awards. The average award will be \$100,000.
➤ *Part II:* Approximately \$900,000 is available to fund approximately three awards. The average award will be \$300,000.

Deadline: August 16, 2001.

Eligible: Public health departments of States or their bona fide agents.

Info: To receive additional information and to request an application kit, call 1-888 472-6874. You will be asked to leave your name and address and will be instructed to identify the Announcement number of interest. Link:

FR: 6/25 33705-33708

National Alliance of Breast Cancer Organizations

Within Our Reach Program

Program: Within Our Reach (WOR) is a grantmaking and technical assistance program established by the National Alliance of Breast Cancer Organizations, a national nonprofit information and education resource on breast cancer. The program's mission is to increase the number of medically underserved women in the United States who receive breast cancer education and screening services. Programs requesting support must propose to serve medically underserved women—women whose age, race, ethnicity, socioeconomic status, disability, or sexuality make it more difficult or less likely for them to access health care, specifically breast cancer screening and education. In addition, WOR prioritizes the support of programs that serve women 40 and older.

Funds: Up to \$50,000

Deadline: Letters of inquiry: August 10, 2001.

Eligible: Applicants must be based in the U.S. and be private, non-government, nonprofit organizations or state-affiliated universities. Applicants may be either medical providers or community organizations that link women with providers who offer breast cancer screening and diagnostic services

Info: Nichole Heidrick Bockner, Coordinator, Outreach Programs, National Alliance of Breast

Cancer Organizations, Phone: (212) 889-0606, Link:
<http://www.nabco.org/whatsnew/fund/within2.html>

Eli Lilly and Company The Lilly Reintegration Award

- Program:** The Lilly Reintegration Awards program is a nationwide initiative that is open to all mental health programs, groups and individuals (clinicians, nurses, social workers, advocates, policy makers and others) involved in the reintegration process. Applications for the awards may be submitted by candidates or their colleagues to recognize efforts in reintegrating those with schizophrenia or schizophrenia-related disorders into their communities. These efforts may include, but are not limited to:
- *Clinical Medicine:* Clinical care-driven reintegration programs specifically relating to the medical care of those with schizophrenia.
 - *Occupational:* Programs or individuals focused on employment-related reintegration efforts.
 - *Housing:* Programs or individuals focused on housing-related reintegration efforts.
 - *Educational:* Programs or individuals focused on education-related reintegration efforts.
 - *Rehabilitation/Social Support:* Programs or individuals focused on social skills and training for reintegration.
 - *Advocacy:* Programs or individuals focused on community relations, policy and public education in regard to reintegration.
- Funds:** First Place: \$5,000.
Second Place: \$2,500.
- Deadline:** July 16, 2001.
- Info:** Lilly Secretariat, PMB 1167, 734 N. LaSalle St., Chicago, IL 60610, Phone: 800-809-8202, Fax: 312-664-5454, E-mail: lillyawards@ims-chi.com, Link: <http://www.zyprexa.com/schizophrenia/reintegr.htm>.

Robert Wood Johnson Foundation

Caring for Kids: Expanding Dental and Mental Health Services Program

- Program:** Caring for Kids: Expanding Dental and Mental Health Services through School-Based Health Centers is an initiative of The Robert Wood Johnson Foundation to support the development of sustainable models of dental and mental health services organized by school-based health centers. This call for proposals is intended to stimulate projects that:
- Increase available dental and mental health care organized by well-established school-based health centers;
 - Connect services to relevant public and private programs and policies to assure that services are coordinated with existing programs.
- Funded projects should demonstrate effective ways to increase access to dental and mental health programs for underserved populations.
- Funds:** Total funds available: 3.4 million.
- *Dental grants:*
- Maximum grant size: \$225,000.
Total number of grants: 6.

➤ *Mental health grants:*

Maximum grant size: \$180,000-\$225,000

Total number of grants: 10.

Deadline: August 10, 2001

Eligible: Applicants institutions must sponsor at least two school-based health center, one of which must have provided services for at least two years.

Info: Annette Ferebee, MPH, Deputy Director, The Center for Health and Health Care in Schools, 1350 Connecticut Avenue, NW, Suite 505, Washington, DC 20036, Phone: 202-466-3396, Fax: 202-466-3467, Email: ajf@gwu.edu, Link: <http://www.rwjf.org>

US Center for Substance Abuse Treatment

Grants to Study Treatment Under Manage Care

Program: The U.S. Center for Substance Abuse Treatment (CSAT) is offering a special funding opportunity to nonprofits interested in evaluating addiction-treatment services delivered in managed-care settings. The funding can be used to evaluate computerized decision-making systems that assist clinicians in selecting treatment options. Grants also can be used to determine whether performance measures used by managed-care companies lead to better treatment outcomes.

Funds: Total funds available: \$500,000.

Deadline: September 10, 2001.

Eligible: State and local governments, including tribal governments, community-based organizations, universities and hospitals, are eligible to apply.

Info: Applicants with questions about program issues should contact Sarah Wattenberg, project officer, at 301-443-0092. Questions about grants management should be directed to Pilar Carrillo at 301-443-6284.

JUSTICE

Department of the Treasury/Bureau of Alcohol, Tobacco and Firearms

The Gang Resistance Education and Training Program

Program: Subject to the availability of appropriations, the Bureau of Alcohol, Tobacco and Firearms (ATF) intends to enter into cooperative agreements with State and local law enforcement agencies to assist them in providing the Gang Resistance Education and Training (G.R.E.A.T.) Program. This notice also sets forth the intended funding priorities and the criteria and application procedures that ATF will use to select and award State and local law enforcement agencies Federal funds to provide the G.R.E.A.T. Program.

G.R.E.A.T. is a gang prevention program designed to educate the youth about the dangers associated with joining street gangs and participating in violent crime. It functions as a cooperative program that utilizes the skills of ATF, Federal, State and local law enforcement personnel, as well as individuals from the community and civic groups. The G.R.E.A.T. Program trains police officers to provide instruction to grade and middle school-aged children in gang prevention and anti-violence techniques. Training may be provided to any Federal, State, or local law enforcement agency, to the extent allocated funds allow. G.R.E.A.T. consists of three major components: School-Based Education;

Deadline: After School/Summer Education/Booster Classes, and Parent Involvement.
September 7, 2001.
Info: James Scott, G.R.E.A.T. Branch; Bureau of Alcohol, Tobacco and Firearms; 800 K Street, NW., Suite 600, Washington, DC 20001, Phone: 1-800-726-7070, Email: Great@atfhq.atf.treas.gov, Links: www.atf.treas.gov/great/index.htm or http://frwebgate.access.gpo.gov/cgi-bin/getdoc.cgi?dbname=2001_register&docid=01-16393-filed
